WHO WE ARE

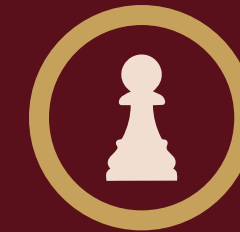

ISGROUP Consulting is an independent strategic advisory firm supporting international businesses, investors, and growth-oriented enterprises expanding across Indonesia and Southeast Asia.

Backed by more than a decade of professional experience, we assist clients in navigating regulatory requirements, market entry processes, business licensing, product compliance, tax advisory, and cross-border operations with clarity and confidence.

We advise organizations on:

-  Foreign Investment
-  Market Entry
-  Licensing & Compliance
-  BPOM & Halal
-  Export Import
-  Tax & Finance
-  Property & Infrastructure Compliance

WHY ORGANIZATIONS CHOOSE ISGROUP

Strategic Perspective

We combine regulatory insight with business strategy and execution support.
